Hello, Mr. Ragle.

KUB provides electricity only to the Clark Motel property. There is a gas main available on Clinton Highway, but we do not show any gas service lines for the motel or mobile homes. Water/sewer should be provided by Hallsdale-Powell at (865) 922-7547.

The deposit would be about \$4,000.00, based on previous usage.

Following are consumption histories for electric kWh. They do not include the residential/mobile homes, just the ones in Clark Motel's name:

I'm sorry to be so long in responding but have been involved in meetings/projects the past few days. In future, please send requests/questions to cservice@kub.org. If I am unavailable, someone else usually monitors that e-mailbox; however, no one reads or answers my personal e-mails.

You may also contact a customer service representative at (865) 524-2911. Representatives are available to assist you Monday through Friday from 7 a.m. to 9 p.m. and on Saturday from 8 a.m. to 6 p.m.

Thank you.

Pam

Pam,

Hello! I was just touching base to see if you had received my email regarding the old Clark Motel on Clinton Highway. Please let me know if you need anything from me. Thanks again for your help.
