## Utility Information – 646 Greenwood Drive

Parcel 30 (house lot) is on septic system, but the permit could not be found at the Blount County Health Department. The permit disclosure is attached.

For further information regarding this issue, please call the Blount County Health Department at (865) 983-4582 or visit their website at <http://www.blounttn.org/health.asp>

Parcel 31 has been approved for a septic system which would support a 3 bedroom residence. A high intensity soil map was completed and is attached.
