

Utility Information

Water, Sewer, Natural Gas

City of Martin Public Works (731) 587-4910

According to Jimmy Snyder, Assistant Director, Martin Public Works, water, sewer and natural gas are all in close proximity to the subject property and could be made available to the subject property depending on ultimate usage and city approval of that use.

Currently there is a sewer line that runs across the rear of the property. Gas and water mains are located along Brooks Rd. just to the south of the property.

Cost for extending and tapping into existing utilities is dependent of ultimate usage of property.

Electric

Weakley County Municipal Electric System (731) 587-9521

Cost for connecting to electric is dependent on usage.
