Re: 1128 Fox Rd

September 21, 2011

To Whom It May Concern:

The property located at 1128 Fox Rd is served by the sanitary sewer system and water system of First Utility District of Knox County. A sewer connection would have to be approved by our engineering department and would need to be made with an E One grinder pump. If you should have questions, please don't get in touch with me.

Sincerely,
