

Zoning Information – 2627 Macy Blair Road

According to Kelly Schlitz with the Metropolitan Planning Commission, the subject property is zoned PR.

PR: Planned Residential: The regulations established in this zone are intended to provide optional methods of land development which encourage more imaginative solutions to environmental design problems. Residential areas thus established would be characterized by a unified building and site development program, open space for recreation and provision for commercial, religious, educational, and cultural facilities which are integrated with the total project unified architectural and open space treatment.
