Utility Information – 32 Acres on Watts Bar Lake

Electric – Volunteer Electric Cooperative

According to VEC Customer Service, they would be the provider of Electric to this property.

Fees:	Connection Fee:	$30.00
	The first 700 feet of overhead line is at no charge. $2.00 per foot for additional overhead line.	

For additional information, please contact Volunteer Energy Cooperative at (423) 334-5721 or visit them at www.vec.org

Water - Watts Bar Utility District

According to Mickey Barger, with Watts Bar Utility District, there is a 6" water line that terminates approximately 300' south of the subject property. He estimates that the cost to extend that water line 300' to the edge of the subject property would be approximately $6,000. Additional extension would result in higher costs.

For additional information, please contact Watts Bar Utility District at (865) 270-8070 or visit them at www.wbud.org

Sewer – Not Available

Gas – Oak Ridge Utility District

According to Nicki with Oak Ridge Utility District they would be the providers of Natural Gas to the subject property as there is a gas line on Hwy 58.
