

## **Zoning Information – 11775 Snyder Rd, Knoxville, TN 37932**

According to the Town of Farragut Planning Dept., the subject property is zoned as follows:

- C-2: Central Business District (Town of Farragut)

This district provides space for commercial uses which provide services to regions including and surrounding the Town of Farragut. The intent is to permit lands adjacent to interstate highway interchanges to be used for the provision of general commercial and business services to both interstate travelers and residents of the region. These commercial uses are intended to be designed to minimize disruption of traffic flows and negative impacts on adjacent residential uses.

For additional information, please contact the Town of Farragut Planning Dept. at (865) 966-7057 or visit them at [www.townoffarragut.org](http://www.townoffarragut.org).
