

2.2.6. - C-3 general commercial district.

- A. *General description.* This commercial district is for personal and business services and general retail business. Districts in this category are intended to include areas where commercial development has displaced or is displacing residential development, or is moving in on vacant lands. Regulations are designed to guide future change so as to discourage formation of future commercial slums, to preserve the carrying capacity of the streets, and to provide for off-street parking and loading. It is not the intent of this district to encourage the extension of existing strip commercial areas, but rather to provide concentrations of general commercial activities.
- B. *Uses permitted.* The following uses shall be permitted in the C-3 general commercial district:
1. Retail establishments including incidental manufacturing of goods for sale at retail on the premises; provided, however, that the space devoted to manufacturing does not exceed twenty (20) percent of the gross floor area of the establishment; sale and display rooms and lots, not including yards for storage of new or used building materials or yards for any scrap or salvage operations, or for storage or display of any scrap, salvage, or secondhand materials.
 2. Delicatessens and bakeries, eating and drinking establishments, brewpubs.
 3. Automobile service and repair establishments, including gasoline service stations, automatic car washing establishments, and repair garages; provided, however, that all major overhaul, body and fender work, upholstery and welding shall be conducted within a completely enclosed building and all spray painting, with the exception of minor touch-up with aerosol-type spray can of standard touch-up size, shall be conducted within an approved spray booth and, provided further, that no outdoor storage of automobile parts, discarded tires, or similar material shall be permitted. (See article V, section 11, for gasoline service station requirements.)
 4. Tire recapping or retreading within a completely enclosed building and with no outdoor storage of tires, discarded rubber, or similar materials.
 5. Personal service establishments, including barber and beauty shops, shoe repair shops, cleaning, dyeing, laundry, pressing, dressmaking, tailoring and garment repair shops with processing on the premises.
 6. Hotels, motels, rooming and boarding houses.

 17. Contractor's business offices such as building, electrical, paint or plumbing contractors, termite and pest control service, wholesale and distributing centers, with all activities within a completely enclosed building, except as provided below, designated as paragraph 22 [21].

18. On the same premises, and in connection with permitted principal uses and structures, dwelling units for owners or employees thereof, and other uses and structures which are customarily accessory and clearly in permitted or permissible uses and structures that are not of a nature prohibited under "Prohibited uses and structures."
 19. Any other store or shop for conducting retail trade or rendering personal, professional, or business service which, based on the criteria set forth in article V, section 1 of these regulations, in the opinion of the chief building official in concurrence with the staff of the metropolitan planning commission, does not produce more noise, dust, vibration, blast, or traffic more than those uses enumerated above.
 20. Buildings, structures and uses accessory and customarily incidental to any of the above uses.
 21. Open storage of material and equipment incidental to a permitted use, provided that all such open storage shall:
 - a. Conform to the setback required for principal buildings in the C-3 district.
 - b. Be screened from all adjoining properties and public rights-of-way to a minimum height of six (6) feet with one (1) of the following:
 - (1) A chainlink fence with inserted lattice which blocks the vision.
 - (2) An evergreen hedge which blocks the vision.
 - (3) A masonry wall.
 - (4) Any other proposed screen which is approved by the metropolitan planning commission, as a "use permitted on review."
 - c. The above screening requirements do not apply to materials and equipment stored on a construction site where such materials or equipment are to be used, or to the storage of commercial vehicles.
 22. Recycling collection facility as an accessory use only as regulated by article V, section 18.B.
