

CONDEMNATION/DEMOLITION INFORMATION **ESTATE OF GLEN DOUGLAS PRICE**

- Per Steve Nelson, Building Inspector for Rogersville, the city plans on condemning the motel and the old white house once it is sold and they know who the new owner is.
- This will require both structures to be demolished & debris removed.
- There have been Asbestos Reports completed on both the motel and the old house, and both have been found to contain asbestos.
- This asbestos must be abated (removed) prior to demolition taking place.
- Complete Asbestos Reports & Abatement Quotes are available for review on the Furrow website. Following is a summary of estimated costs:
 - To remove asbestos from motel: \$29,450
 - To remove asbestos from motel and demo structure: \$34,450
 - To remove asbestos from old house and small white building to rear of white house: \$4,950
 - No quote was provided for removal of asbestos and demolition of old house
 - No asbestos report or demo quotes were provided for any of the other remaining structures
- Approximate demo costs on any other structures would run \$3.00 to \$4.00 per square foot, not including any potential asbestos removal
