

**Per Town of Farragut Planning Dept. (Mark Shipley, Community Development Director, Town of Farragut):**

Green shaded area represents the "BUILDABLE" areas of the property subject to Town of Farragut Zoning (OD-RE/E) and Set-Backs.

Orange shaded area represents a 50' buffer around the perimeter of the sinkhole. No structure with a roof can be built in this area but could be used for surface parking.

Blue shaded area is a large sinkhole and nothing (structure or parking) can be built in this area.
